

PRACTICE FACILITY

Minimum guidelines

1. For non-school-based activities:

a. Gatherings of up to 50 individuals, indoors or outdoors, are allowed. Multiple groups of 50 are allowed if thirty feet of space is maintained between groups.

2. Sport organizers should **display signage at entry with face covering requirements (upon arrival until they reach their camp area and upon leaving their camp areas)**, social distancing guidelines, cleaning protocols, and any reduced capacity limit.

4. Non-competitive activities (activities in Level 1) should be set up to allow for 6-ft. of distancing between participants whenever possible. If social distancing cannot be maintained during activity, participants should still maintain 6-ft. of distancing while on the sidelines/ not directly involved in the activity.

5. If a sporting facility has stations for individual recreation activities, sport organizers should ensure at least 6-ft. between stations. If stations cannot be moved, sport organizers should limit number of open stations to ensure social distancing.

6. Sport organizers should designate an area for spectators with existing seating (e.g., bleachers) or in space around area of play. Gatherings should be restricted to 20% of capacity outdoors (multiple groups of 50 should have 30 feet between groups) and the lesser of 50 people OR 20% capacity indoors, inclusive of athletes, coaches, referees, and spectators. Organizers should ensure at least 6-ft. between seats occupied by spectators that are not members of the same household or party.

Disinfecting/Cleaning Procedures

Minimum guidelines

For outdoor activities, sports organizers should make hand sanitizer or hand washing stations available to participants

a. Athletic equipment such as bats and batting helmets should be cleaned between each use.

Other equipment, such as catchers gear, hockey helmets/ pads, wrestling ear guards, football helmets/other pads, lacrosse helmets/ pads/gloves/**eyewear should be worn by only one individual and not shared**

Encouraged best practices

1. If practical, sanitize shared equipment during use (e.g., between drills) and **encourage frequent hand sanitizing** or hand washing 2. If practical, assign shared equipment to one household for duration of sports season 3. Athletes should be encouraged to wash hands before and after practices, take shower and wash their workout clothing immediately upon returning home

Encouraged best practices

1. **Stagger game and practice times to minimize congregation of groups** 2. **Teams/ groups should be static, with no mixing of employees or participants between groups for the duration of the season, if practical** 3. **Teams/ groups should not add new participants once the season has started** 4. If practical, assign participants from the same household to the same team or group 5. **Limit spectators to immediate household members or guardians of participants**
